

Perry Nuclear Power Plant Emergency Evacuation Plan

The Madison Local School District presents the following set of guidelines to be implemented should an emergency arise at the Perry Nuclear Power Plant. There is a very low probability of a major emergency at the plant, and an even lower one that it would occur during normal school hours. However, the Madison Local School District does have a comprehensive plan for accomplishing sheltering or evacuation protective action. This plan has been developed in conjunction with the Lake County Emergency Management Agency.

If a Site Area Emergency is declared, children may be held at their schools beyond the normal dismissal time and will await parental pick-up. If a General Emergency is declared and an evacuation is necessary, students will be safely bused to our receiving school district -- the Ashtabula City School District -- except for ACC students being bused to Mentor JHS. Parents/legal guardians will be required to pick up their children at the receiving school building. A list of receiving schools for all Madison schools and ACC follows:

Madison High School

(9-12) Lakeside High School, 6600 Sanborn Road, Ashtabula
(Saybrook Township)

MHS students attending Auburn Career Center

Mentor Ridge Junior High School
7860 Johnnycake Ridge Road, Mentor

Madison Middle School

(6-8) Lakeside Jr. High School, 401 W. 44th St., Ashtabula

Homer Nash Kimball Elementary School

(K-5) McKinsey Elementary, 1113 Bunker Hill, Ashtabula

North Madison Elementary School

(K-2) Thomas Jefferson Elementary, 2630 W. 13th St., Ashtabula
(3-5) Washington Elementary, 917 Lake St., Ashtabula

Red Bird Elementary School

(K-2) State Road Elementary, 4200 State Road, Ashtabula
(3-5) Station Elementary, 3703 Station, Ashtabula

Memorial Complex (Pre-K & Latchkey Program)

McKinsey Elementary, 1113 Bunker Hill, Ashtabula

If evacuation of students should become necessary, we want the evacuation procedure to be safe and orderly with accurate school attendance maintained. It is important for parents or legal guardians to be reunited with students as quickly and as conveniently as possible. Members of our school staff will accompany students to the receiving schools. School staff will remain with students until all students are picked up. It is not necessary to rush -- drive safely to the receiving school. Your child will be under the supervision of Madison Local School District staff and will be waiting for you.

Because it is important that school driveways and access roads be kept open for buses, the District requests that parents or legal guardians not pick up students at the regular school building if an evacuation has been recommended. If you must pick up your child during an emergency, do not park in school bus loading or unloading areas. Enter the school building through the main entrance.

Children will be released to parents or legal guardians through normal District release procedures. If your son or daughter drives to school or rides with another student, it is your responsibility to establish a meeting place should an evacuation take place.

If you have not picked up your student at the receiving school within a reasonable time frame, as determined by the school district Superintendent, the student will be moved to **Edgewood High School, 2428 Blake Road, Ashtabula Township**. Auburn CC students will remain at Mentor JHS. Your student will be provided with food, shelter and special supervision.

Should sheltering be recommended, your child will be sheltered in the home school building until the sheltering advisory is lifted (approximately 2-3 hours). Should the shelter advisory delay dismissal of students, you will be notified via the Emergency Broadcast System. Do not attempt to pick up your child during sheltering. It is important for your safety, as well as your child's, to stay inside.

In order to ensure the safety of the Madison Local School District's school children, your cooperation is requested. If you have any questions, please call your child's school.
